SECT FT 50X1-HUM On 19 August 1953, the KVP contonment east of the Stadtpark at Fiesdorf seemed to quarter a higher headquarters or a supply point. Heavy motor traffic was observed at the entrance to the installation. with four officer 50X1-HUM Votor vehicles identified included sedan with 20 men wearing red wearing red service color: truck which were service color; trucks driven ty soldiers wearing blue uniforms; and seden one Soviet officer wearing red-lordered black equilets and four of icers of the VP wearing red service color. 50X1-HUM there was no change in the status 2. On the same day, of the KVP carp in the Schlosspark at Friedrichsfelde. The about 300 tents quartered about 3,000 infantrymen. At least 50 trucks were parked identified50X1-HUM in the southern portion of the park. Motor vehicle which was driver by a soldier wearing green included sedan the latter of which service color, and trucks carried Soviet soldiers wearing black-hordered red epaulets. 50X1-HUM 9. In the afternoon of 25 August 1953, the Pagerviehhof was heavily guard 50X1-HUM by KVPs. Each of the four watchtowers was occupied by two men armed with submachine guns. Furing the time of observation, jeep in which four officers were riding, and three trucks, each of which carried about 20 men, entered the camp. The trucks had side boards 50X1-HUM_{50X1-HUM} heavy motor traffic involving Soviet and 10. On the same day, VF motor vehicles on Stalin Allee near the Lichtenberg railroad station. The VP motor vehicles included trucks which travelled in the direction of Friedrichstelde. 50X1-HUM 50X1-HUM the previous VP camps in the area of On 19 August 1953, the private garden allotments, arout 150 meters west of the city-reilumn underpass, on Heidekampsweg and on Kiefholz Strasse, about 100 meters 50X1-HUM northwest of Darmweg, had been torn down and vacated, while the outguard on Klefholz Strasse, about 100 meters northwest of Fuder Strasse, had been enlarged and included ten 10-man tents and one medical tent. 50X1-HUM On 25 August 1953, about 300 tents and 2,500 per 50X1-HUM sonnel at the camp in the Schlosspark Friedrichsfelde. Notor vehicle 50X1-HUM 12. On 25 August 1953, parked at the entrance south of the Fichenhof settlement included truck Motor vehicles proceeding from the camp toward Fiesdorf in-Fersmnel carrier cluded trucks was also seen. Notor vehicles proceeding from the direction f Farlshorst towards the camp included trucks the personnel In the evening hours of 25 /ugust 1953, stationed at the cantonment east of the Fiesdorf Stadtrark at 1,000 to 1.500 men. Many KVPs were seen entering and leaving the camp. Truck was identified at the installation. 50X1-HUM the KVP outguard which had been 50X1-HUM 14. On 27 August 1953, previously observed on Heidekampsweg near Wohlgemuth Strasse, had been vacated. On 18 August 1953, this subject was manned by about 50 men, who were red service color, had allegedly been assembled from various camps on the sector border and were scheduled to be discharged by late
